

# A PATH FORWARD

## A look at the current environment...

As we move forward in the current environment, helping our units is critical. We must work with units and guide them to ensure that key fundamentals such as program, unit finances, camp, council support, and resources allows the mission of Scouting to continue to impact the lives of local youth.

## Understanding current needs...

We must come together and work together to understand needs, find solutions, and take the necessary steps forward so that local youth can continue to participate in the program they love.

## How we impact youth together...

It will take a collective effort and leadership as we look to the future. Let us work together to build the future of Scouting for youth in Greater Cincinnati and Northern Kentucky. Together we must share the impact, engage more people, expand our resources, and deliver the highest quality program to our youth.

A group of Scouting leaders and youth in yellow shirts are playing with colorful balloons outdoors. The scene is set against a backdrop of lush green trees under a clear blue sky. The group consists of several adults and children, all wearing bright yellow t-shirts. They are reaching up, holding balloons, and smiling, creating a joyful and energetic atmosphere. The text '{UNITS ARE THE HEART OF OUR ORGANIZATION}' is overlaid in white on a semi-transparent dark blue background across the middle of the image.

# SCOUTING FORWARD TOGETHER

## PURPOSE

**Scouting Forward Together** is an all-in effort to support our units, the heart of our organization. We are rallying together to help get everyone through this challenging time, and working together at all levels to build the future of Scouting for youth in Greater Cincinnati and Northern Kentucky.

## TOGETHER WE CAN

Bring resources directly to units through key volunteers.

Rally volunteers and leaders to share how we can collectively move local Scouting forward by sharing the impact, engaging more people, expanding our resources, and ensuring the highest quality programs are delivered for youth.

Share updates on Scouting going forward, assist units with key next steps, understand their needs, and find solutions to ensure the mission of Scouting continues to impact local youth.
